### ABOUT ME

---

#### QA/QC Inspector (Civil) / QMS ISO 9001:2015 Lead Auditor

With over 20 years of experience in the building and industrial construction sectors, including extensive work in Saudi Arabia, I specialize in Site Execution, Quality Assurance (QA), and Quality Control (QC) on EPC projects. I hold an ISO 9001:2015 Lead Auditor certification and have completed AutoCAD 2D training, enhancing my technical and quality management expertise. Throughout my career, I have held a range of key roles, including Site Engineer, Supervisor, Senior Supervisor, Senior QA/QC Inspector, QA/QC Inspector (Civil and Finishing), and I am currently serving as a QC Engineer on an EPC project in Saudi Arabia. I have independently managed the Quality department, ensuring strict adherence to international standards and driving continuous improvement. Notably, I contributed to significant projects at DG Cement Factory Hub, Pakistan's largest cement plant. A self-motivated, enthusiastic, and results-oriented professional, I thrive in fostering collaboration, innovation, and successful project execution.
